

Follow the Path of Jesus

Source: Unknown

From *Hymns and Tunes*

1. Fol - low the path of Je - sus, Walk where His foot - steps lead;
2. Cling to the hand of Je - sus, All through the day and night;
3. Take up the cross of Je - sus, Shar - ing the shame He bore;

Keep in His beam - ing pres - ence, Ev - 'ry coun - sel heed;
Dark though the way and drear - y, He will guide you right,
Self and the world de - ny - ing, Love the Sav - ior more.

Watch, while the hours are fly - ing, Read - y some good to do;
Live for the good of oth - ers, Help - less op - pressed and wrong;
Tell all the world of Je - sus, Think of their gloom and loss,

Quick, while his voice is call - ing, Yield o - be - dience true!
Lift them from depths of sor - row, In His strength be strong!
Tell of His great sal - va - tion, Glo - ry in His cross.
